authority on the loan. The membership of each committee shall include at least one member from the lender's board. In no case shall a loan officer involved in the adverse credit decision on the loan being reviewed serve on the credit review committee when the committee reviews such loan. The duties of the members of the credit review committee may not be delegated to any other person, except that the credit review committee duties of the board member may be performed from time to time by an alternate designated by the board who shall also be a board member.

§614.4443 Review process.

(a) *Personal appearance.* Each applicant or borrower who is entitled to and has requested a review may appear in person before the credit review committee. The applicant or borrower may be accompanied by counsel or by any other representative of such person's choice, to seek a reversal of the decision on the application under review.

(b) *Documentation.* An applicant may submit any documents or other evidence to support the information contained in the unsuccessful loan or restructuring application which the applicant believes will demonstrate that the loan or restructuring applied for is an eligible loan or eligible restructuring plan that satisfies the credit standards of the lender.

(c) *Independent collateral evaluations.* (1) An applicant for a loan that has been denied may, as part of the request for a review, request an independent collateral evaluation by an independent evaluator, as defined in §614.4440 of this subpart, of any interests in property securing the loan (other than the stock or participation certificates of the lender held by the borrower).

(2) Within 30 days after a request for a collateral evaluation, the credit review committee shall present the applicant or borrower with a list of three independent evaluators approved by the qualified lender. The borrower shall select and engage the services of an evaluator from the list to perform the collateral evaluation. The collateral evaluation must be completed within a reasonable period of time. The cost of

the evaluation shall be borne by the applicant or borrower.

(3) The credit review committee shall consider the results of any such collateral evaluation in any final determination with respect to the loan or restructuring, provided the applicant's or borrower's evaluator has provided a copy of the evaluation report to the lender not less than 15 business days prior to any scheduled meeting of the credit review committee.

(4) Any such collateral evaluations that are not completed in conformance with the collateral evaluation requirements described in subpart F of this part, relative to collateral evaluation standards, independence requirements, and qualification requirements, need not be considered by the credit review committee. To facilitate the proper completion of such collateral evaluations, a copy of part 614, subpart F, shall be provided to the borrower for presentation to the borrower's evaluator, and a copy signed by the borrower's evaluator shall be a required exhibit in the subsequent evaluation report.

(d) *Decision.* The credit review committee shall reach a decision on the application in its sole discretion, and such decision shall be the final decision of the lender. The credit review committee shall make every reasonable effort to conduct reviews and render decisions in as expeditious a manner as possible. Promptly after a review by the credit review committee, the committee shall notify the applicant or borrower in writing of the decision of the committee and the reasons for the decision.
